Kirti Suryavanshi

Hr Recruiter (Team Lead)

North Delhi

Summary

HR professionals with rich years of work experience in recruiting.

The process of recruiting may involve both internal and external sourcing methods, thereby requiring these HR professionals to be adept at understanding where and how to locate candidates. As it involves using both traditional and non-traditional resources and a network of established contacts to identify and attract talent.

However, my role does not end with the discovery of potential candidates. In fact, these HR professionals must then engage in a number of subsequent activities:

- *Candidate Screening
- *Interviewing
- *Reference and Background Checks
- *Partnering with hiring managers
- *Determine staffing needs
- *Screening resumes
- *Performing in-person and phone interviews with candidates

- *Management
- *Team handling
- *Reporting
- *Vendor management
- *Job fairs
- *Events
- *Client handling
- *Salary negotiations

Proficient in recruiting candidates from all levels, junior level to senior level (Experience in volume/mass hiring, niche/leadership hiring)

- Good experience in campus hiring and off campus hiring
- Possess excellent communication and interpersonal skills.

Expertise In: Team Handling (Minimum 15 members), Screening, Lateral hiring, Salary Negotiations, Maintaining Relationships with Hiring Managers, Ads posting on different portals etc..
