Top Skills

Machine Learning
Public Speaking
Strategic Planning

Languages

Spanish
English

Certifications

Convolutional Neural Networks
Improving Deep Neural Networks:
Hyperparameter tuning,
Regularization and Optimization
deeplearning.ai
Structuring Machine Learning
Projects
Machine Learning Foundations: A
Case Study Approach

Marianyela Duty

Specialization in Deep Learning AI- Machine Learning
United States

Summary

Deep Learning and Neural Networks (Deeplearning.Ai). Currently enrolled in Introduction Self-Driving Nanodegree with Udacity. Skilled :Python, Tensorflow, Keras, Machine Learning, Deep Learning and Neural Networks, Computer Vision.

Experience

deeplearning.ai
Deep Learning and Neural Networks
March 2018 - 2018 (less than a year)
Deep Learning and Neural Networks (Specialization).

Education

Deeplearning.Ai-Andrew Ng
, Neural Networks and Deep Learning -Artificial Intelligent

University of Washington - Coursera
Machine Learning Foundations: A Case Study Approach, Artificial
Intelligence · (2016 - 2016)

Central University of Venezuela
Computer Science, Computer Science
