Trying to solve math.

Experience

Google
9 years 9 months

Staff Research Scientist
October 2015 - Present (4 years 11 months)

Deep Learning, Artificial Intelligence, Computer Vision, Video Analysis, Formal
Reasoning.

Senior Research Scientist
February 2015 - October 2015 (9 months)

Computer Vision, Video Analysis, Artificial Intelligence

Software engineer
December 2010 - February 2015 (4 years 3 months)

Computer vision, machine learning, advertisement pricing optimization.

Cadence Design Systems
Research Scientist
2005 - 2010 (5 years)

VLSI CAD physical design, logic synthesis

University of Bonn
Research Assistant
1998 - 2005 (7 years)

Discrete Mathematics, mathematical optimization, VLSI CAD physical design,
logic synthesis
